Kenmore State High School is a globally minded learning community, committed to helping students reach their full potential. We are located on a large campus surrounded by beautiful gardens and close to public transport.

Our school enjoys an excellent reputation with outstanding student results across academic, cultural and sporting areas.

Professional and dedicated staff contribute much to the lives of our international students and support and guide students to achieve academic goals as well as help them to plan for their futures.

Our international program staff, teachers and members of the administration team work together to ensure that our international students have a positive and successful Australian high school learning experience. We look forward to welcoming you to our school.
