SCHOOL OVERVIEW

Alexandra Hills SHS is set amidst native vegetation with our own resident koalas. Our school provides a quality education where students are both challenged and supported in a well ordered, caring environment. Experienced, highly qualified teachers work individually with students of all ability levels, while being well supported with good facilities and equipment. As a member of the Queensland Minerals and Energy Academy (QMEA), students are advantaged by industry experience and scholarships.

THREE REASONS TO CHOOSE ALEXANDRA HILLS STATE HIGH SCHOOL

- Well established, welcoming school in a natural bushland setting
