

SCHOOL OVERVIEW

Centenary SHS is an innovative academic school located in the leafy western suburbs of Brisbane. We support students to meet high expectations and to excel academically through high standards of teaching and opportunities for acceleration, including an extensive university links program that provides a headstart into their future studies. Students take part in a wide range of cultural, sporting and extracurricular activities in our world-class facilities, consistently winning awards for their performances. Our students at Centenary SHS receive individual support and care as they build their futures.
