## SCHOOL OVERVIEW

Corinda State High School is a co-educational, multicultural school with an international focus catering for academic and vocational learners in Years 8 to 12. Our school vision is 'GREAT LEARNERS, GREAT CITIZENS, GREAT FUTURES' and our school has a reputation of high expectations valuing academic excellence. The school community is very proud of the long history of achievements gained by our students, and we continue to promote the ideal of 'embracing change' while 'honouring tradition'. We have developed a school culture based on tradition, respect, responsibility and a strong work ethic. Our students have proven that they can rise to challenges and strive for excellence.
