SCHOOL OVERVIEW

Indooroopilly SHS offers excellence in teaching resulting in academic, cultural and sporting success. It has strong links with tertiary institutions, being situated close to the University of Queensland. Students enjoy excellent facilities and learn in a spacious environment enhanced by trees and beautiful gardens. The school is well serviced by nearby public transport and has offered quality homestays to international students for 20 years. A non-uniform school, Indooroopilly has the feeling of a university campus with a culture of strong academic achievement.
