Over the years there have been numerous outstanding EQI graduates who now serve in various professions both here in Australia and overseas. We would love to hear about the success stories of our past students.

As part of our commitment to providing high quality student experiences, EQI has established an Alumni Association for past students. The EQI Alumni is a group dedicated to help current and past students from EQI International Student Programs to stay in touch and share experiences into the future. Alumni activities may include the following opportunities:

- Networking
- Sharing of expertise
- Guest speaking at EQI onshore and offshore events
- Joining future Alumni chapters in different countries
