Important information about application cut-off dates

- * Completed applications are applications where all relevant fields have been completed and required supporting documents are provided.
- The above dates do not include applications for Queensland Academies. (For future dates, monitor <https://qa.eq.edu.au/apply/>).
- For students seeking to start in January the following year and who are waiting on academic reports from their home country, the application should be lodged by the cut-off date.
- Please enquire first if wishing to apply after a cut-off date. EQI will make every effort to support an application within time, program, welfare, and visa application constraints. If the student visa is not granted in time to commence school at the required entry point, additional charges will be incurred for revision of the enrolment agreement.
- Allow extra time for visa processing if applying for welfare to be provided by a Department of Home Affairs (DHA) approved guardian as this process involves additional application requirements e.g. police checks.
- Student visa processing times have been affected by COVID-19. For current estimates of visa processing times check the DHA webpage - <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-processing-times/global-visa-processing-times>.
