## Study

### Entry requirements

For high school students, if after you have arrived it becomes clear that you do not meet the academic and/or English language requirements for your course, you may be required to undertake High School Preparation (**HSP**) at a Queensland state school prior to commencing mainstream high school.

If you enrol in HSP and you do not demonstrate satisfactory progress required to enter your mainstream school course, we may:

- require you to
  - enrol in a lower year level; or
  - complete an additional term of HSP, or
- cancel your enrolment.

If you receive a notice of our intention to cancel your enrolment, you have the rights set out under the **Appeals** section.

### Attendance

Attending your course is a condition of your student visa. If your attendance is not satisfactory, we must report it to authorities and your student visa may be cancelled.

You should attend school every school day. Check your school's website for school start and finish times.

If you do not attend the course on the agreed starting day and you have not:

- notified us in advance; and
- provided evidence of compassionate or compelling circumstances,

you will be treated as having cancelled your enrolment.

### Absences

The school will record your attendance or absence every day.

You should always tell the school if you cannot attend for all or part of the day. Check your school's website for details of how to notify absences.

### **At risk of failing to meet attendance requirements**

If:

- you are absent for 5 consecutive days or more;
- your attendance falls to 90% of your course contact hours in any term; or
- we have other concerns about your attendance record,

your international student coordinator will require you to meet with them about your attendance record and provide evidence explaining your absences (such as medical certificates).

If your attendance falls to 85% of your course contact hours in any term, we will give you and your parents or legal custodians a written warning.

### **Unsatisfactory attendance**

If you do not attend at least 80% of your course contact hours, we will notify you in writing of our intention to report you to authorities for not achieving satisfactory attendance. We may exercise our discretion not to report you if:

- you provide evidence of compassionate or compelling circumstances explaining your absences;
- we are satisfied that, in all of the circumstances, it is reasonable not to report you; and
- your attendance record is at least 70%. (If your attendance falls below 70%, we are required to report you.)

If you receive a notice of our intention to report you to authorities, you have the rights set out under the **Appeals** section.

## **Behaviour**

If your behaviour is unsatisfactory, we may cancel or suspend your enrolment. This may affect your student visa.

### **At school**

You must:

- participate actively at school;
- take responsibility for your own behaviour and learning;
- respect other members of the school community and the school environment and property;
- cooperate with staff and others in authority; and
- comply with your school's rules. Check your school's website for the school's responsible behaviour plan.

## **At all times**

You must:

- comply with Australian laws and with the conditions of your student visa;
- not drink alcohol, smoke, misuse prescription medication or use illegal drugs;
- not do anything that endangers your safety or the safety of other people; and
- not do anything that may bring your school or the international student program into disrepute.

## **Course progress**

Maintaining satisfactory course progress is a condition of your student visa. If your course progress is not satisfactory, we must report it to authorities and your student visa may be cancelled.

## **Course length**

You must complete your course within the time set out in the Confirmation of Enrolment that we send to you.

We may extend the time to complete your course only if there are compassionate or compelling circumstances, if we reduce your course load because you are having difficulty making satisfactory course progress, or we approve a deferral or suspension of study (see the **Deferral, Suspension and Cancellation** section).

## **Course requirements**

The standards required to achieve satisfactory course progress for each of our courses is set out in our Course Progress procedure, published at [www.eqj.com.au](http://www.eqj.com.au).

Your school will advise you about your course work and assessment. Check the Queensland Curriculum and Assessment Authority website (<https://www.qcaa.qld.edu.au/k-12-policies/student-assessment>) for information about how courses are assessed.

We do not guarantee that you will successfully progress to the next level or complete the course.

## **Reports**

The school will provide written reports to you and your parents or legal custodians every term.

## **Unsatisfactory course progress**

Your school will monitor your workload and your results to ensure you complete the course on-time and to assist you if you are having difficulties.

### *Formal Intervention*

If your end-of-term report indicates that you are not achieving satisfactory course progress, your principal will give you and your parents or legal custodians a written warning. You will be required to meet with the principal to develop a plan to improve your performance.

If your next end-of-term report indicates continuing unsatisfactory course progress, we will notify you in writing of our intention to report you to authorities for breaching the requirement of your visa to achieve satisfactory course progress.

If you receive a notice of our intention to report you to authorities, you have the rights set out under the **Appeals** section.

## Deferral, Suspension and Cancellation

We must report any deferral, suspension or cancellation of your enrolment to authorities and your student visa may be affected.

### By you

You may apply to defer or suspend your enrolment if there are compassionate or compelling circumstances.

You may cancel your enrolment at any time.

In either case, you should:

- contact us directly by email to [EQInternational@det.qld.gov.au](mailto:EQInternational@det.qld.gov.au), including your name in the email;
- include in the subject line of your email:
  - “application to defer commencement”, “application to suspend studies” or “cancellation of enrolment” (as applicable); and
  - the name of your school; and
- provide evidence of compassionate or compelling circumstances for deferrals or suspensions.

If you apply for deferral or suspension, we will advise you of our decision as soon as possible. If you are not satisfied with our decision, you have the rights set out under the **Appeals** section.

### By us

We may give you notice of our intention to suspend your enrolment if:

- there are compassionate or compelling circumstances; or
- your behaviour is unsatisfactory (see the **Behaviour** section). This is in addition to any action we consider necessary in the circumstances, such as exclusion from classes.

We may give you a notice of our intention to cancel your enrolment if any of the following occurs:

- failure to disclose or update information we require to assess your application for enrolment or to administer your course enrolment;
- providing information to us which is false, misleading or incomplete;
- breach of your student visa conditions or cancellation of your student visa;
- failure to pay fees (see the **Fees** section);

- unsatisfactory attendance (see the **Attendance** section);
- unsatisfactory behaviour (see the **Behaviour, Accommodation and Welfare** and **Travel and Activities** sections). We may cancel your enrolment even if we do not first suspend it;
- unsatisfactory course progress (see the **Course Progress** section);
- if you are living with a homestay provider and we:
  - are concerned, by reason of your conduct or circumstances, about the welfare of you or others; or
  - determine that we are no longer able to approve your accommodation, support or general welfare arrangements; or
- a breach of this enrolment agreement not otherwise set out above.

If you receive a notice of our intention to suspend or cancel your enrolment, you have the rights set out under the **Appeals** section.

## Transfers

You may apply to transfer to another Queensland Government school or to a non-government school or other institution registered under Australian law to provide education to international students.

Additional tuition, homestay or other non-tuition fees may apply for the new school, depending on the school and course chosen.

Before applying, you should talk to your international student coordinator and school guidance officer and consider any relevant enrolment deadlines at other schools or institutions.

### To another Queensland Government school (internal transfer)

We will approve your transfer request if:

- you provide evidence that your parents or legal custodians support the transfer;
- you provide evidence of compassionate or compelling circumstances;
- we are satisfied that the transfer is in your best interests;
- the transfer is approved by your existing school and the proposed new school (we will seek that approval for you);
- there are no unpaid tuition or other fees owing to us; and
- you pay our transfer fee. Check <https://www.eqj.com.au/programs/fees.html> for details of the current transfer fee. We will waive the transfer fee if we offer you a place at another Queensland Government school because you are unable to study your preferred subjects at your current school.

### To a non-government school or other register provider (external transfer)

We will approve your transfer request if:

- you provide evidence of an enrolment offer given by the new school or provider;
- we are satisfied that the transfer is in your best interests;
- there are no unpaid tuition or other fees owing to us;
- if you are under 18 - you provide evidence that:
  - your parents or legal custodians support the transfer; and
  - if you are not being cared for by a parent, legal custodian or suitable nominated relative - your new school or provider will accept responsibility for approving your accommodation, support and general welfare.

### Grounds for refusal

A transfer request will be refused:

- if the requirements, set out above, are not satisfied; or
- if we decide you are trying to avoid being reported to immigration authorities for failing to meet attendance or course progress requirements.

### How to apply

You should:

- complete a school transfer request form available from our website;
- email the form to [EQInternational@det.qld.gov.au](mailto:EQInternational@det.qld.gov.au), with “school transfer request” in the subject line of your email and include your name in the email; and
- provide evidence that you satisfy all of the requirements set out in this section.

We will advise you in writing of our decision:

- for external transfer requests: within 10 working days of receiving your request and all relevant information;
- for internal transfer requests: within 20 working days of receiving your request and all relevant information.

If we approve your transfer, we will provide a letter of release to your new school or provider as required by Australian law. If we refuse your request, you have the rights set out under the **Appeals** section.

### If we cannot deliver your course

If we are unable to deliver your course, we may arrange for you to be offered a place in an alternative course at our expense. You are not required to accept that offer. If you do not accept the offer, you are entitled to a refund of unspent tuition fees – see the **Refunds** section.

## Living

### Accommodation and welfare

#### Care arrangements

You must live with:

- a parent, legal custodian or a close relative nominated by your parents or legal custodians and approved by the Government agency responsible for administering migration; or
- an approved homestay provider; provided that you are enrolled in high school,

even if you turn 18 before completing your course.

You must not change these arrangements unless we give you written approval.

You must report any serious or urgent threat to your welfare to us immediately.

#### Contact details

You must advise us of your residential address in Australia within 7 days of arriving in Australia. You must advise us within 7 days of any change in your residential address. Failure to do this may affect your student visa.

You must also keep us advised of your current telephone and email contact details.

#### Homestay conduct

If you are living with a homestay provider, you must:

- respect members of the family, their property and the home environment;
- participate actively as a member of the household;
- take responsibility for your own behaviour;
- comply with the household rules;
- comply with the homestay provider's decisions about your actions and welfare, including outings and curfews; and
- keep the homestay provider informed of your whereabouts, and remain contactable by them, at all times.

If you fail to meet these standards, we may consider your conduct to be unsatisfactory behaviour and may cancel or suspend your enrolment or we may withdraw approval of your welfare arrangements. This may affect your student visa.

#### Moving homestay

If you want to live with a different homestay provider, you should talk to the person who coordinates homestay for your school and your school guidance officer. We will not approve new homestay arrangements within the first 4 weeks of your stay unless there are exceptional circumstances.

If we are required to move you to a different homestay we will generally give you at least two weeks' written notice. In exceptional circumstances (for example, if we are concerned about your safety), we may move you immediately.

If your homestay provider is temporarily unable to provide homestay for you, we will arrange for you to be temporarily placed with another homestay provider.

## Travel and activities

This **Travel and Activities** section applies if you are living with a homestay provider.

If you do not comply with this section, we may consider your conduct to be unsatisfactory behaviour and may cancel or suspend your enrolment or we may withdraw approval of your welfare arrangements. This may affect your student visa.

### Course requirements

You are expected to participate in all school activities that form part of your course requirements, including excursions and off-site activities involving travel.

### Routine activities

You must discuss routine activities with your homestay provider and comply with their decisions.

Routine activities includes travel to and from school or off-site school activities, everyday travel with your homestay provider, and normal domestic activities such as shopping, entertainment, sports, visiting friends and health care consultations. It does not include overnight stays away from the homestay address.

### Non-routine activities

You must obtain our permission for all non-routine activities. This includes non-routine travel with your homestay provider.

In assessing your request, we will consider all relevant circumstances including the nature of the activity, the arrangements for supervision, your welfare and your age and maturity. We may also consider the views of your parents, legal custodians and homestay provider but we will not necessarily grant permission even if they consent.

To request permission, please complete the travel and activities form, available on our website, and submit it to your international student coordinator.

### No high-risk activities

You must not undertake high-risk activities, even if you have the permission of your parents, legal custodians or homestay provider, unless the activities are approved by us as part of your school's curriculum.

"High-risk activities" include any activity which inherently poses an increased risk of harm, illness or injury. It does not matter if the activity is undertaken in a controlled environment under appropriate supervision. Examples of high-risk activities are extreme sports and recreational activities with dangerous elements.

## Transport

Your homestay provider may require you to use suitable public transport or other safe methods of travel to or from school or off-site school activities.

You must not be a passenger in a vehicle driven by an unlicensed driver or a driver with a learner (L plate) driver's licence. You must not be a passenger in a vehicle driven by a driver with a provisional (P plate) driver's licence unless you have the written permission of your parents or legal custodians and us.

You may only drive a vehicle if you obtain a driver's licence and have the approval of your parents or legal custodians. You may, with the permission of your parents or legal custodians, undertake driving lessons with a professional driving instructor if you hold a learner licence.

## Medical

### Health information

You must tell us everything we need to know about your physical and mental health, including your medical history, conditions and allergies, and all medications you use, so that we can provide for your appropriate support at school and (if you are living with a homestay provider) approve and monitor your support and general welfare arrangements as required by your student visa. This applies before you arrive in Australia and during your stay.

You must provide to us all medical records that we ask for.

We will treat your health information confidentially but may share it with the school, your homestay provider and any health care professionals who look after you in order to provide appropriate care for you.

If you fail to provide health information, we may determine that we are unable to approve your support or general welfare arrangements. This may affect your enrolment.

See also the **Privacy** section.

### Medical treatment

If you need medical or other health care (other than routine care for minor illness or injury), we will use our best endeavours to contact your parents, legal custodians and homestay provider as soon as reasonably possible.

We may as we think appropriate and in your best interests:

- provide or administer routine or prescribed medications; and
- administer first aid.

If we think you need treatment from a health care professional, we may authorise any medical and other professional treatment that we believe to be in your best interests. This includes hospital transfers, emergency procedures, and administering drugs and medications. To do this, we may sign consents to medical and other health procedures on your behalf.

You must reimburse us for all costs associated with medical or other treatment that we authorise for you.

In this **Medical Treatment** section, “we” and “us” includes your homestay provider.

## **Insurance**

Overseas Student Health Cover (**OSHC**) is insurance to assist international students meet the basic costs of medical and hospital care, and provides limited benefits for medications and ambulance services, which you may need in Australia. OSHC does not cover all of your potential medical expenses.

Unless immigration authorities advise otherwise, you must obtain and maintain OSHC for the period of your student visa.

We recommend that you obtain additional health insurance or travel insurance that covers your potential health care costs more comprehensively, including the costs of returning to your home country in the event of serious injury, illness or death.

## **Other rights and responsibilities**

### **Visa**

Your enrolment is conditional upon you obtaining and maintaining a student visa under Australian law. If you breach your student visa conditions or your student visa is cancelled, we may give you a notice of our intention to cancel your enrolment (see the **Deferral, Suspension and Cancellation** section).

If you breach this agreement, we may be required to report the breach to authorities. If your enrolment is cancelled for any reason, we must report the cancellation to authorities. In each case, your student visa may be cancelled.

If Australian law does not require that you hold a student visa in order to undertake the course (for example, children under 6 years of age), your obligations under this agreement that require you to hold a student visa do not apply until the earlier of the time when:

- Australian law requires that you hold a student visa; or
- you obtain a student visa.

### **Complaints**

#### **Discuss first**

If you have a complaint about your course, your living arrangements or your welfare, you should discuss it informally with your international student coordinator.

If you have a complaint about your international student coordinator or a decision he or she has made, you should discuss it informally with your school Principal.

We will comply with any decision the Ombudsman makes.

You can also contact the Australian Government Department of Education and Training at any time if you have a complaint. Please note that the Department will only intervene if it thinks that our conduct fails to meet the requirements of the *National Code of Practice for Providers of Education and Training to Overseas Students* and will not substitute its decisions for decisions we have made. A complaint to the Department is not a part of our appeals process.

### **Our actions during the appeal process**

If you appeal a decision, we will not implement the decision:

- for decisions to suspend or cancel your enrolment – until our Internal Appeal process is concluded and the process supports our decision, unless there are extenuating circumstances relating to your welfare; or
- for decisions to report you to authorities (see the **Attendance** and **Course Progress** sections) – until any External Appeal process is concluded and the process supports our decision.

“Extenuating circumstances” means that we have concerns about the health, safety or welfare of you or others.

### **If you do not appeal**

If you do not appeal a decision within the required timeframe, the decision takes immediate effect.

## **Privacy**

We collect personal information about you when you apply to enrol and throughout your enrolment, including information we obtain in the performance of this agreement. We need some of this information to comply with our obligations under Australian laws (such as *Education Services for Overseas Students Act 2000* and *National Code of Practice for Providers of Education and Training to Overseas Students*).

We may record, use and disclose the personal information you provide to us in connection with this agreement and our international student programs so that we can administer this agreement and your enrolment, provide the course to you, discharge our duty of care to you and comply with Australian laws.

We may record, use and disclose your personal information for the purposes of registering you with the Queensland Curriculum and Assessment Authority and opening a student account.

- tuition fees;
- non-tuition fees (such as homestay fees and OSHC costs); and
- other amounts set out in this agreement (for example, to reimburse us for medical expenses we incur on your behalf).

Your tuition and non-tuition fees are as we determine from time to time and usually increase each year. The actual fees payable by you will depend on your course, year level, where you will live and study and when you undertake the course. All international students in your circumstances will pay the same fees.

We publish our fee schedule at <https://www.eqi.com.au/programs/fees.html>. All fees must be paid in Australian dollars.

Our estimate of the total course costs payable by you, based on fees current at the date of this agreement, is set out in the Statement of Fees attached to this agreement.

If tuition fees are not paid in full by the due date, we may apply unspent non-tuition fees (except homestay fees) towards payment of the unpaid tuition fees.

If you fail to pay fees when due, we may cancel your enrolment and your student visa may be affected.

## **Refunds**

### **Your rights**

If you do not complete your course, you may apply for a refund of some fees already paid by you in certain circumstances set out below. We will also pay any other refunds required by Australian law.

### Compassionate or compelling circumstances

We may treat you more favourably under this agreement in compassionate or compelling circumstances.

Compassionate circumstances are circumstances which, in our opinion:

- are not in your control or created by you; and
- adversely impact on your welfare or course progress (for example, illness, bereavement or traumatic events may qualify).

Compelling circumstances are circumstances which, in our opinion, are in your best educational interests.

If you believe that compassionate or compelling circumstances exist, you should let us know as soon as possible and we will consider your position. You must provide appropriate evidence.

### **Policies and procedures**

We publish policies and procedures, which support the administration of this agreement, on the website [www.eqj.com.au](http://www.eqj.com.au). Our policies and procedures do not form part of this agreement.
