Aspley High is proud to be a school of choice for our local community. We are 13 kilometres north of the Brisbane central business district, on the banks of the serene Cabbage Tree Creek and close to reliable public transport and roads.

We focus on strengthening you as a learner so you are ready for success at university. Our academic mentoring, after school tutorial program and in-class learning support will help you achieve the best you can.

You will benefit from our many extra activities including arts (vocal group, dance performance teams, open mic and music), outdoor education (camps and outdoor challenges) and sport (soccer, futsal and recreational sport).

We have excellent staff in our English language centre to support you in developing your academic reading, writing and speaking skills.

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.
