RSA

At Atherton State High School we have a reputation for providing high-quality educational outcomes;

demonstrated by the accomplishments and initiatives we have implemented over 50 years.

We continue to introduce improvements and technologies while retaining our historical values.

Our coeducational school offers a diverse curriculum to allow you to develop an individual and flexible learning pathway to success.

We were one of the first regional schools in Queensland to develop an International Program and we have a long tradition of welcoming students from overseas nations.

We establish ongoing links with our homestay families to ensure that you enjoy a safe and happy life, as well as achieving study success.

We look forward to welcoming you to our school family.

Three reasons to choose Atherton State High School

Our location offers access to the Great Barrier Reef, the Australian Outback and World Heritage listed rainforest. It is a highly regarded school with a diverse curriculum and flexible delivery. Our rural lifestyle is relaxed, but only a short drive to Cairns.

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family, international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
