At Bribie Island State High School we enrol students from Bribie Island and the surrounding areas.

Parents choose our school because we educate the whole child, and we have an excellent community culture and high standards.

Our school is progressive and socially responsible, to maximise your learning outcomes and prepare you to become an active citizen in our global society.

We provide quality curricular and extracurricular programs and highly qualified teachers within a safe, supportive and productive learning environment to ensure you achieve your best results.

## Principal's welcome

Bribie Island State High School is a co-educational secondary school with 1100 students, located on Bribie Island with a population of 18 000. Bribie Island is a popular tourist destination located less than one hour's drive north of Brisbane, Queensland's capital city. Bribie Island is a 34 kilometre long sand island, national and marine park, linked to the mainland by bridge. Bribie Island boasts pristine beaches and waterways, providing many opportunities for a variety of watersports and camping adventures. The heritage listed Glasshouse Mountains and world-class beaches of the Sunshine Coast are also within an hour's drive of Bribie Island.

Our prospectus and International Student Program section of our website outline some of the many programs, supports and activities that the school offers to ensure your international student has the best possible educational and cultural experience.

## Three reasons to choose Bribie Island State High School

1. Located close to Brisbane, Sunshine Coast beaches, the Glasshouse Mountains, Australia Zoo and many islands
2. The curriculum uses the national and marine park environment to enhance the educational experiences of students
3. Our small, personalised international student program means each student is valued and treated individually

## Homestay

Homestay\* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
