Website: coombabahshs.eq.edu.au

Phone: +61 7 5552 3823

Year established: 1986

Number of students: 1200

At Coombabah SHS, our vision is clear: Together we innovate, empower, and excel. As an International Study School from 2026, we are proud to embrace cultural diversity, providing every student with the skills, confidence, and resilience to achieve their aspirations.

What makes our school unique is its natural setting. Sharing our campus with kangaroos and koalas offers a distinctly Australian experience and reminds us of the importance of protecting our environment.

Your journey here will open doors to lifelong friendships, cultural exchange, and future opportunities. We encourage you to immerse yourself in school life, embrace new experiences, and share your culture with our community.

Welcome to the Coombabah SHS family – where we shape the future, one student at a time.
