Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
