Principal's welcome

It is my pleasure to welcome you to Jindalee State School. Jindalee State School is a co-educational primary school located in the residential suburb of Jindalee, in the western Centenary area of Brisbane.

Our school philosophy, built around the Jindalee Way, provides the firm foundation for everyone in our school community to pursue their goals and aspirations. The Jindalee Way Philosophy encourages all members of the school community to be active and informed citizens.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
