HS

HSA

Our school is located in western Brisbane, 8km from the University of Queensland and 10 km from the city centre.

Our students achieve some of the best academic results in Queensland.

We offer outstanding extracurricular programs including music, sport and university-level science and mathematics courses, and we also have extension programs including German language and Ken-X - for high-performing students.

Each week you can attend two days of after school tutoring as well as an extra 70-minute English class.

Through our partnerships with three universities, we provide regular speakers to explain how to access university and to help you to explore your options after school.

## Principal's welcome

Welcome to Kenmore State High School. We are a globally-minded learning community, committed to helping our students reach their potential. Our school enjoys an excellent reputation with outstanding student results across academic, cultural, citizenship and sporting areas. Our professional and dedicated staff contribute much to the lives of our international students. They support and guide students to achieve academic goals as well as help them to plan for their futures. Our international program staff, teachers, and members of the administration team, work together to ensure that our international students have a positive and successful Australian high school learning experience. We look forward to welcoming you to our school.

## Three reasons to choose Kenmore State High School

1. Kenmore SHS has very strong academic results. In 2015, 91% of the Year 12 cohort was eligible to receive an Overall Position (OP). Of those students, 21% received an OP1–5; 51% received an OP1–10; and 77% received an OP1–15. In 2015, international students received tertiary places in dentistry, engineering, commerce, business and architecture
2. Kenmore SHS offers a very broad variety of subjects and activities
3. Kenmore SHS actively celebrates cultural diversity, and is a pleasant, welcoming environment in which to learn

## Homestay

Homestay\* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

Read more about [accommodation and welfare](#).

\* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.

## University or vocational pathways

- Most of Kenmore's students further their education at university

## School facilities

- State-of-the-art science facility
- International Student Lounge
- Networked laptops for all senior students
- Film and television studio and green room
- Modern performing and visual arts centre
- Activities centre
- Purpose-built Junior Secondary Precinct

## Extra curricular activities

- Instrumental music – symphonic band, string ensembles, choir
- Leos Community Service Club
- Camps
- Debating and public speaking
- Wide range of sports and clubs

## Holiday adventure programs

EQI Holiday Adventure Programs are an exciting and safe way for International Students to travel and sightsee during school holidays.

There's an EQI adventure to suit every taste - from visiting city landmarks and riding camels on an unforgettable Australian 'outback' adventure, to exploring ancient rainforests and swimming with turtles off Queensland's pristine white sand beaches.

All EQI Holiday Adventures are fully guided and escorted by qualified Queensland Government teachers and staff to ensure student safety. These programs are open to international students enrolled in an EQI high school, and additional fees apply. To find out more visit the [holiday programs page](#)

## Languages

- German
- German extension
- Japanese

## Special programs

- University-level science and mathematics
