Nambour State College sits within the beautiful green valleys of the Sunshine Coast hinterland, close to beaches and at the foot of the magnificent Blackall Range.

Originally established in 1936 as Nambour State High School, in 2016 the College began welcoming students from primary age to Year 12 to study at its large and well-resourced junior and senior campuses.

Nambour SC students can choose from an extensive range of academic programs along with a wide choice of sports and extracurricular activities. An on-campus school farm supports the delivery of the College's agricultural science program. As a Registered Training Organisation, Nambour SC also offers a number of nationally recognised vocational subjects such as business, hospitality, rural operations, visual arts and tourism. The college's experienced and dedicated staff ensure students are well supported to focus on their studies and reach their full potential.

Principal's welcome

Welcome to Nambour State College, located between the subtropical Blackall Ranges of the hinterland and the majestic golden beaches of the Sunshine Coast, Queensland.

Our students experience a vibrant 24/7 learning hub that embraces technology and global connectivity. We have a strong, proud tradition of academic excellence, with former Prime Minister Mr Kevin Rudd being a past student. Our students are global influencers, creating the future and making their mark on our world.

The College is a friendly, warm and welcoming place for international students and our dedicated support team of highly skilled, caring people are excellent mentors.

We inspire students to reach their full potential, exceed their expectations as a learner and reach their career goals. The College offers high quality education for a diverse range of learners, in a safe environment. We will support you to excel in your chosen pathway, nurturing independence, compassion, innovation and global citizenship.

Three reasons to choose Nambour State College

1. A safe, supportive environment that provides a full range of learning pathways and welcoming of all cultures and backgrounds
2. A highly ranked college delivering excellent academic outcomes and opportunities for success
3. English as an Additional Language/Dialect (EAL/D) support provided in all curriculum areas

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

Read more about [accommodation and welfare](#).

* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.

University or vocational pathways

- [Head%20Start%20program%20with%20University%20of%20Sunshine%20Coast%20and%20Central%20Queensland%20University%20](#)

Holiday adventure programs

EQI Holiday Adventure Programs are an exciting and safe way for International Students to travel and sightsee during school holidays.

There's an EQI adventure to suit every taste - from visiting city landmarks and riding camels on an unforgettable Australian 'outback' adventure, to exploring ancient rainforests and swimming with turtles off Queensland's pristine white sand beaches.

All EQI Holiday Adventures are fully guided and escorted by qualified Queensland Government teachers and staff to ensure student safety. These programs are open to international students enrolled in an EQI high school, and additional fees apply. To find out more visit the [holiday programs page](#)
