Year established: **1959**

Number of students: **1700**

Pimlico State High School is a co-educational Independent Public School located in Townsville, North Queensland.

Pimlico is proud to offer an extensive range of both academic and vocational subjects to students in Years 7 to 12. A comprehensive curriculum with a strong academic focus is a feature of the school. In the senior school, we offer an extensive range of general and applied subjects that provide a variety of pathways to university, further training and employment. Pimlico offers specialised excellence programs in Global Studies and the Arts.

Our achievements in the performing arts, particularly music, are well known in the community. Our curriculum and vision for learning also place a strong emphasis on global citizenship, preparing students for a globalised world and a future working and contributing on the international stage.

We welcome international students from all over the world.

You will enjoy a wide range of cultural experiences and become a valued part of our vibrant school community.

We value diversity and community and we offer you an excellent Orientation Program, International Student excursions and a caring culture of academic and home study support.
