At Queensland Academies Health Sciences Campus, we are located on the Gold Coast, Australia.

We offer the International Baccalaureate (IB) Diploma Programme – an internationally recognised pre-university level qualification.

We aim to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

Our graduating students can study at Australian tertiary institutes and overseas universities.

Working in partnership with Griffith University, we provide unique opportunities and enrichment for students who are interested in careers in health sciences, research, science and academia.

We focus on local and global perspectives to broaden your view of your place in the world.

Extracurricular activities

- › Creativity, Activity, Service (CAS) is a fundamental part of our IB Diploma Programme experience. Through our CAS requirement, we take seriously the importance of life outside school, providing a refreshing counterbalance to the academic self-absorption some may feel within our demanding Academy environment. Through these activities, you will develop greater awareness of yourself, concern for others, engagement with the world of ideas and the ability to work cooperatively with other people
- › Sports
- › Community service

School facilities

- › 500-seat lecture theatre – designed to university standard
- › Research Laboratories – these large individual research laboratories are university standard. Access to individual and small group research rooms is controlled by access cards for students or small teams who are working on specific research projects
- › Exercise Centre – a full multipurpose court for basketball, volleyball and badminton, as well as a gym, Kinesiology Laboratory, classrooms and student showers
