Redlynch State College offers a supportive and friendly learning environment in a beautiful, safe suburb.

Our high-performing college provides uninterrupted learning from Prep to Year 12 with a focus on preparing you to succeed in your future career after school.

Our college is less than 10km from the centre of Cairns and the Northern Beaches.

You can visit the amazing Great Barrier Reef and World Heritage listed Daintree Rainforest. We offer school trips like hiking, camping and visiting North Queensland's beautiful islands.

We provide real work-experience opportunities with our award-winning Live Production Enterprise, delivering event services to small businesses and community organisations.

We have a dedicated International Department care team, and provide innovative English Support lessons with our highly trained staff.

Principal's welcome

Redlynch State College is a modern school in a majestic setting in the Redlynch Valley with beautiful rainforest and mountain views. We have a proud history of academic success, sporting prowess, community support and parent involvement. The school was first opened on the original school site in 1932.

Our school aims to ensure that every student from Prep to Year 12 experience a curriculum that focuses on their future and prepares them to succeed in their field of choice. The school improvement agenda centres strongly on quality teaching practices and is well supported by researched based initiatives. The College has over many years embedded a very supportive and friendly school environment with clear student expectations on academic, social and cultural outcomes. We are committed to establishing and resourcing key roles to support the implementation of our international programs, as we see this as an exciting innovation to the school and know it will benefit many of our students in understanding different cultures.

The College's vision 'Learning in our Valley, Thinking beyond the Hills' is supported by the school-wide pedagogy of Relationships, Success, Connections, Equity and Quality.

Three reasons to choose Redlynch State College

1. Complete Prep to year 12 schooling at a recognised high performing educational institute with strong student, family and community connections
2. We offer a unique learning program with seamless blending of academic rigor, high class vocational training and a pastoral care program

that supports student achievement.

3. Established excellence and extension programs delivered through quality teaching and learning practices

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

Holiday adventure programs

EQI holiday adventure programs are an exciting and safe way for international students to travel and sightsee during school holidays.

There's an adventure to suit every taste - from visiting city landmarks and riding camels on an unforgettable Australian outback adventure, to exploring ancient rainforests and swimming with turtles off Queensland's pristine white sand beaches.

All holiday adventures are fully guided and escorted by qualified Queensland Government teachers and staff to ensure student safety. These programs are open to international students enrolled in an EQI high school and additional fees apply. Find out more about our [holiday adventure programs](#).
