Principal's welcome

Welcome to Robina State High School! I feel very lucky to be principal of this lovely school. We have 1400 students. They are very kind and welcome new friends from other countries. We love to study new languages, play sports like baseball, golf and football and learn about the beach and water sports. We also love to study hard and get good results to help us go to University and reach our goals.

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
