We warmly welcome all guests to Robina State High School and the beautiful Gold Coast. Global citizenship is very important and our staff are very experienced in supporting international students.

Host families at Robina State High School are very friendly and enjoy learning about other cultures.

Students can choose from a wide range of programs including golf, baseball, football, drama, instrumental music and triathlon. We offer after school study groups and a private tutor for international students. Marine Science, Australian Sport Studies, cooking and woodwork are also popular with international students. So are our surfing lessons!

One hundred per cent of our students who made university applications in 2019 were successful in obtaining entry into their desired course.

## Principal's welcome

Welcome to Robina State High School! I feel very lucky to be principal of this lovely school. We have 1400 students. They are very kind and welcome new friends from other countries. We love to study new languages, play sports like baseball, golf and football and learn about the beach and water sports. We also love to study hard and get good results to help us go to University and reach our goals.

We have the Gold Coast's largest shopping mall and train station opposite our school. The beach is only 10 minutes away and we are also very close to famous theme parks.

We have special staff who work to make your stay a very special one. You are welcome to join the Robina High family.

## Three reasons to choose Robina State High School

- Specialist programs for golf, futsal and baseball
- Three full-time international staff members
- Excellent English as an Additional Language/Dialect (EAL/D) support with qualified tutors

## Homestay

Homestay\* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
