Springfield Central State High School is located south-west of Brisbane in an award-winning community.

We provide a complete education in a safe and supportive environment where our teachers will mentor you individually to ensure you are successful, happy and prepared for your future.

You can relax and focus in a separate international student lounge and kitchen.

We have a robotics lab, gym, drones and virtual reality racing equipment. We also have 2 pet turtles in the library.

High-achieving students can join our science, maths, and technology program or our health careers program and we also have a business ideas competition called 'Shark Tank'.

To help improve your English and make friends you can join our clubs, including Homework Club, Tech Club, Yearbook Club and Drama club.

Principal's welcome

It is a pleasure to welcome you to our wonderful school. Our school has great pride in our strong school values, our high expectations, and our drive towards academic excellence.

As the school principal who also lives in the Springfield area and has my three children also attending my school, I know that our school and community is safe, is supportive and strives to ensure our students reach their potential.

International students at Springfield Central State High School are very important to us and do receive that extra care and attention they deserve. Our family values at school and with our homestay families are our strength. Each international student is individually mentored to ensure their grades, their study and their next pathway is successful.

Our broad study options and growing university partnerships also place our students well for their future.

I look forward to being a part of you and your child's future schooling.

Three reasons to choose Springfield Central State High School

1. The school sits within the community of Greater Springfield which embraces globalism
2. Strong partnership and close proximity to the Union Institute of Language, Springfield
3. Staff, school and homestays are upskilled and committed to the wellbeing and success of students

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

Read more about [accommodation and welfare](#).

* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.

Holiday adventure programs

EQI Holiday Adventure Programs are an exciting and safe way for International Students to travel and sightsee during school holidays.

There's an EQI adventure to suit every taste - from visiting city landmarks and riding camels on an unforgettable Australian 'outback' adventure, to exploring ancient rainforests and swimming with turtles off Queensland's pristine white sand beaches.

All EQI Holiday Adventures are fully guided and escorted by qualified Queensland Government teachers and staff to ensure student safety. These programs are open to international students enrolled in an EQI high school, and additional fees apply. To find out more visit the [holiday programs page](#)

Languages

- Japanese
- Chinese
- Access to study a range of other languages through schools of Distance Education

Special programs
