At Sunnybank State School, we offer quality education in a caring, friendly environment from Prep to Year 6.

We are proud to be a respected school with an inclusive and harmonious community, welcoming children and parents from all over the world

With opportunities like our leadership program, advanced technology skills program and online extension courses with the IMPACT Centre, we encourage your child to expand their learning.

We also provide extension programs with the nearby secondary school.

Our specialised conversation programs will improve your child's English.

As well as this, your child will experience practical learning on our educational excursions and camps, and our large school grounds with plenty of beautiful trees and inviting play areas.

Three reasons to choose Sunnybank State School

1. Sunnybank caters for a wide range of abilities. Many students come from around the world and enjoy learning English in a supportive environment
2. We offer a wide range of extracurricular activities and students have many opportunities to take part in sporting and academic events
3. The range of cultures in our school helps students to understand and support diversity

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.
