Sunshine Beach State High School is located in a biosphere reserve that is recognised by the United Nations.

We have a progressive international school culture and we encourage positive relationships between students, teachers and our community.

Our academic focus is on technology and innovative thinking in environment studies, sustainability and reef guardianship.

You can select your studies according to your area of interest for a flexible pathway to higher education and vocational opportunities.

We value diversity, and through our international student program, our students have opportunities to communicate respectfully with students from other cultures.

Our supportive, caring, safe environment enables you to be successful and enjoy your stay with us.
