At Tropical North Learning Academy – Trinity Beach State School – we create a learning environment where you can thrive and become an independent, creative and connected learner with unlimited potential.

We offer extracurricular activities as part of our Global Tropic Future Project.

Our students engage in a virtual learning platform and build a portfolio of real-world learning experiences.

They can also participate in workshops through our partnerships with Smithfield State High School and James Cook University.

Three reasons to choose Trinity Beach State School

1. Strong, inclusive and multicultural community with a history of excellence in academics, sport and performing arts
2. Seamless education pathway from primary to university through the unique Tropical North Learning Academy partnership with Smithfield State High School and James Cook University (JCU)
3. First-class facilities, including extensive sports facilities and well-developed playground areas, large multipurpose hall and resource centre

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

Read more about [accommodation and welfare](#).

* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.

School facilities

- New double-storey learning space equipped with a state-of-the-art Makerspace centre and computer lab

Holiday adventure programs

EQI holiday adventure programs are an exciting and safe way for international students to travel and sightsee during school holidays.

There's an adventure to suit every taste - from visiting city landmarks and riding camels on an unforgettable Australian outback adventure, to exploring ancient rainforests and swimming with turtles off Queensland's pristine white sand beaches.

All holiday adventures are fully guided and escorted by qualified Queensland Government teachers and staff to ensure student safety. These programs are open to international students enrolled in an EQI high school and additional fees apply. Find out more about our [holiday adventure programs](#).
