Urangan State High School is a friendly, happy and busy community where our school vision "Pursuit of excellence every minute, every day" and motto "Working together to learn" is enacted on a day to day basis. Our school operates on a philosophy of setting high standards and expecting students to strive to be the best they can be, in all facets of their lives.

We provide many opportunities, both inside and outside the classroom, for students to develop to their full potential. This is done in an orderly, friendly and supportive environment.

Urangan State High School is dedicated to discovering the best within all students through high quality educational and social experiences that expose them to new ideas, new ways and new possibilities for future success.

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).
