At Whitfield State School we are close to tropical rainforests, the Great Barrier Reef and some of Australia's most beautiful natural environments.

We are one of the larger schools in the Cairns area.

Our teachers use successfully proven teaching practices such as Explicit Instruction and Learning Consolidation to maximise student learning.

We teach structured programs across the school in mathematics, reading, writing and spelling to achieve high levels of literacy and numeracy.

Our school motto 'Each Striving for the Peak' shows our belief that every child can succeed.

We are immensely proud of our reputation for providing an excellent education in a safe, caring environment.
