At Yeronga SHS we provide learning pathways for a socially, economically and environmentally balanced future.

We also promote values and attitudes that enable you to become more resilient and ready for the

changing world of post-secondary options and directions.

A student-focused, medium-sized school, we promote a very safe and dynamic learning

community only restricted by imagination and effort.

We offer traineeships, apprenticeships and university pathways, as well as an extended Year 10 to

12 Core Skills Support program that enhances your future pathways.

Three reasons to choose Yeronga State High School

1. An international educational experience offering highly specialised English language and literacy immersion
2. Proven strong history of academic excellence with a wide and diverse curriculum range
3. Located directly on the train line, five kilometres from Brisbane's central business district.

Homestay

Homestay* enables EQI students to truly experience Australia's famous lifestyle.

By living with an Australian host family international students become part of the local community and have a fantastic opportunity to practise their English in a safe and caring home environment. International students often develop lasting friendships with their homestay families.

- Students have their own bedroom with study facilities, three meals a day, and access to transport to and from school, and to school activities
- Host families are carefully selected from within the school community and undergo a police check as required by Queensland law

Standard Homestay fees have been set and these are listed on the [EQI program fees page](#).

* Students enrolled in Primary School must live with a parent or close relative as defined by the Australian Immigration Regulations.
