Indooroopilly State High School offers excellent facilities and teaching in a supportive culture of high academic achievement.

We promote diversity and aim to develop student confidence, with teaching tailored for you.

Located close to The University of Queensland, we maintain strong links with the surrounding universities, and our no school uniform policy allows a relaxed transition from school to university.

Enjoy learning on our large campus with beautiful gardens, close to public transport and Brisbane city.

We have offered international homestays for more than 30 years, and have an excellent language support program to improve your English language skills.

Our students consistently achieve high tertiary entrance scores and well above average National Assessment Program - Literacy and Numeracy (NAPLAN) outcomes.
