Our school is a truly unique learning environment located on beautiful tree-lined grounds, 20 minutes south of the CBD on public transport routes. We have outstanding staff who contribute to our great learning culture, and our motto, 'Our Effort, Our Achievement, Our Future', communicates our belief that our students are future leaders.

We employ a supportive culture, embracing diversity and inclusion, developing confidence to succeed. To ensure students reach their potential, we offer beneficial individualised learning and a range of opportunities in academia, sport, culture and community responsibility, and encourage you to excel where your passion lies. We offer long-term international homestay placements with caring and supportive families.
