**Phone:** +61 7 3550 2333

**Year established:** 1916

**Number of students:** 540

Mitchelton State School has been educating students in a supportive environment since 1916.

We provide many international students with quality education and a wonderful cultural experience.

While we focus on improving literacy and numeracy, we also encourage your child to be curious and creative; to discover their unique potential.

Our thorough academic programs develop your child's knowledge and higher order thinking skills as we prepare your child for high school.
