At Nambour State College, we are located in the beautiful green valleys of the Sunshine Coast Hinterland at the foot of the magnificent Blackall Range, and also close to beaches.

Our college was established in 1936 as a high school and we have welcomed primary students since 2016.

Choose from our extensive range of academic programs as well as a wide choice of sports and extracurricular activities at our large and well-resourced junior and senior campuses.

Our on-campus school farm supports our agricultural science program, and we also offer vocational subjects such as business, hospitality, rural operations, and visual and performing arts.

Our experienced staff ensure you are supported in our safe and welcoming multicultural environment to reach your full potential, and we have an English as an Additional Language/Dialect (EAL/D), support program to help with your studies.
