

Springfield Central State High School

Address: 90 Parkland Drive, Springfield Central QLD

Website: springfieldcentralshs.eq.edu.au

Phone: +61 7 3470 6222

Year established: 2011

Number of students: 1850

Springfield Central State High is located south-west of Brisbane only 35km from the CBD. Our school is culturally diverse where our international students are valued for their contribution.

We provide a complete education in a safe and supportive environment where our teachers will mentor you individually to ensure you are successful, happy and prepared for your future.

We offer students an integrated student lounge with kitchen facilities – a perfect space to focus.

We have a robotics lab, gym, drones and virtual reality racing equipment.

High-achieving students can join our science, maths and technology program or our health careers program, and we also have a business ideas competition called 'Shark Tank'.

For further English practice and to make new friends, we have quite a few clubs our students can join including the Homework club, Tech club, Robotics club and Chess club.
