At Stretton State College, we recognise that young people need to be happy, healthy and confident with a strong sense of belonging. The college goal is to provide all members of the Stretton School Community with opportunities to develop and build resourcefulness, resilience, intellectual and emotional skills to optimise wellbeing to prepare them for the challenges and opportunities that life will inevitably throw at them in school and beyond.

Excellence and opportunities are our hallmark; building confident young people. Stretton State College encourages resilience and resourcefulness, combined with tolerance, understanding and respect for the diversity that exists in our community and world.
