As an inclusive, global learning school, we are renowned state-wide for academic achievement and cultural pursuits. Our school has welcomed international students into our community for over 20 years.

We believe in Learners who Flourish. We value: Thinking big, Stepping up, Paying it forward and Being kind.

Every student, every day, has the opportunity to feel a sense of belonging in our community through teamwork, loyalty and leadership. Students are able to engage in learning that sparks their engagement, curiosity, joy and passions.

Our facilities include a unique leadership training centre, a new Science, Technology, Engineering, Art and Mathematics (STEAM) building, and both an indoor sports and a performing arts centre.
