Year established: 1979

Number of students: 1020

At Tropical North Learning Academy – Trinity Beach State School – we create a learning environment where you can thrive and become an independent, creative and connected learner with unlimited potential.

We offer extracurricular activities as part of our Global Tropic Future Project.

Our students engage in a virtual learning platform and build a portfolio of real-world learning experiences.

They can also participate in workshops through our partnerships with Smithfield State High School and James Cook University.
