

Temporary Residents Admissions fees

Fees and Payment

Most students holding temporary resident visas are required to pay fees to attend a Queensland state school.

Tuition fees must be paid in advance and are calculated based on the number of weeks of the enrolment (enrolment for part of a week incurs the charge for a full week). Fees are paid whether or not the student actually attends school during the period of enrolment.

Tuition fees are subject to change, are reviewed on an annual basis and usually increase each year in line with the Government Indexation Rate. Applicants will be required to pay the adjusted fees from the date of implementation. All fees must be paid in Australian dollars and are inclusive of GST (if applicable).

A Temporary Residents Admissions (TRA) Authority to Enrol (ATE) is issued after payment of the required fees is received.

For more information on fees, what tuition fees cover and the consequences if fees are not paid by the due date please refer to the [TRA Terms and Conditions of Application](#).
