Our school is a truly unique learning environment located on beautiful tree-lined grounds, approximately 30 minutes south of Brisbane City. Public transport routes provide access to both Brisbane and the Gold Coast. Our school mission is to deliver outstanding education for our students and enrich our community. We have dedicated staff who contribute to a positive and supportive whole-school culture.

We embrace diversity and inclusion, developing student confidence to succeed. To ensure students reach their potential, we offer individualised curriculum and holistic support as well as innovative opportunities in the areas of academia, sport, creative industries and community responsibility. We offer long-term international homestay placements with caring and supportive families.
