Website: sunshinebeachss.eq.edu.au

Phone: +61 7 5474 6333

Year established: 1982

Number of students: 800

Parents and students at Sunshine Beach State School often comment on our positive, fun and supportive learning environment.

We have been an accredited Glasser Quality School since 2003, and we use the principles of Dr William Glasser's choice theory, reality therapy and lead management as our philosophy.

Because of this unifying approach, our learning environment will satisfy your child's needs.

We create positive relationships based on trust and respect, and our staff, students, families and community strive together for quality in all that we do.

Since 1982, we have created a successful school with a unique, caring culture where your child will belong and feel safe and comfortable.

Every year we welcome students from many countries including Brazil, Japan, China and South Korea.
