Our Prep to Year 12 College is set in 26 hectares of green space yet only 8km from the heart of the centre of Brisbane.

With our history of international student participation, our college is perfect for your Australian immersion experience.

Our inclusive and supportive culture supports students' academic and cultural growth while providing a caring support network for all students.

Whites Hill State College offers a range of extracurricular activities including STEM, excursions, music and sport to enhance the student experience.

We are one of three Brisbane schools with the High School Preparation Program. We offer a seamless educational experience for our international students. Our support for international students is evident from primary to Year 12.

Whites Hill State College Cluster has been named the state winner of the Education Queensland International Showcase 2022 Award for Excellence in Global Engagement.
